

West Lafayette Fire Department Open Houses

Saturday, October 9 West Lafayette Firefighters will be hosting open houses at each of the three fire stations from 9:00 a.m. to 12:00 p.m. (noon). This event coincides with Fire Prevention Week. Firefighters will be available to answer questions about smoke alarms, disaster preparation, E.D.I.T.H. or provide other information that would be useful in, or for preventing, an emergency. Station tours will be given throughout the morning and the fire trucks (if not on a call) will be on display for kids of any age.
